#### LATE RETURN LEZZIE

Dear CHERI

I suppose that your readers will be surprised to see a letter from a girl in your mail column, but after what I just experienced I had to tell someone, and my older brother is always raying about how CHERI is the trashlest magazine on the market.

My name is Sandy, I'm 20-years-old, short blonde hair, blue eyes, and a decent figure, atthough I'm a bit on the skinny side, and I manage the one and only video rental store in our little town. As you might guess, our inventory is not very extensive. In fact, our "Adult" section consists of only two, very ancient, VHS tapes. Last month, a new customer, Lisa, came in looking for something X-Rated. She and her husband, a truck ariver, had just moved into the old Whipple house out on State Rd. The first thing that impressed me about Lisa was her stunning beauty. At thirty-one (I got that from her rental card application). she possessed a glorious mane of platinum yellow hair that brought out the green of her eyes, the fuliness of her ruby lips, and accentuated her hourglass flaure.

As you might expect, she wasn't impressed with our measiv stock of smut, "Oh, well! My husband's on the road a lot and I need something to keep me busy at night!" she purred, reaching out to lightly caress my hand,"If you know what I mean, Sandy,"

I was speechless! The delicate touch of her sim fingers made my nipples tingle and my pussy twitch! I have to confess that I have occasionally had fantasies about women, but my naughty reaction really surprised me. Unfortunately, Usa turned out to be what we call in the business a "late returner" -- a very late returner! To make matters worse, she completely landred my phone dalls so I decided to stop by her house one night after work and collect the tapes myself. No one answered my knock, but since there was a light on in the living room, I just walked in - and got the shock of my life. Lisa lay sprawled out naked on the sofa, jamming a thick rubber dido into her pussy while watching two women having sex on TV! Suddenly, she glanced over at me and smiled.

"Well! It's about time you showed up!" she murmured. patting the other end of the couch. "Come join me."

A part of me wanted to run, and yet I was interested to find out what exactly she had in mind. The instant my butt hit the cushions she took me into her arms, French-

kissed me passionately, and guided my hands to her fat breasts, I never stood a chance. The next thing, my clothes lay in a heap on the floor and we were both writhing around naked like a couple of horny dykes. Usa nudged me backward to nurse on my pointy pink nipples and fondle my much smaller bosom, then kissed down my guivering turning gently parted my legs, and swept her tongue along my moist wattles. I thought I was going to climax on the spot! Peeling my tragle petals open, Usa licked around inside my twitching slot for a while before inserting a finger and diverting her oral attention to my

#### l slithered down between her shapely thighs to taste the clear nectar that oozed from her gaping gash

"Occah! Yes! Oh, Usa!" I cried, dutching her founding, golden waves as I locked my flexing thighs around her burrowing head and humped my leaking pubes at her nibbling lips. "Eat my cunt! Oh, yes! Make me cum, baby! Make me cum!"

My fifthy words must have encouraged her because she quickly picked up the pace until I gushed a torrent of girl goo into her hungry mouth. Naturally, I was eager to sample her fragrant-smelling cunt, and Lisa was more than ready. She led me into the bedroom where I immediately began caressing her downy flesh and nursing on her puffy, coral-colored nipples. Soon, Lisa was trembling uncontrollably and her pleasurable moans echoed throughout the room, Finally, I slithered down between her shapely thighs to taste the clear nector that occed from her gaping gash.

"Ahhhhi Yes, my darling girl!" she whimpered, pushing on the back of my neck with both hands. "Your tongue feels wonderful! Awwww/ Yesss! Keep that up and I'll cum all over your adorable face!"

That's what I wanted. Following Lisa's Instructions, I alternated lashing at her mushy folds while chewing on her pulsating pearl, and the minute her rock-solid, pearshaped ass started bucking wildly, I jabbed three fingers up her twat to bring her off.

The amazing part of my story is that I left Lisa's house totally versed in the ways of lesblan love, but without the tapes! No problem! It gave me a reason to return the next night and try out that dido!

#### LAYING HICOLE'S RUG

DeCF CHERI.

This letter is addressed to all you CHERI readers out there who have dull, mundane jobs. My buddy Frank and I work for a big carpet installation company here in Boston cutting up all the odd-sized, left over remnants. It's a real pain in the ass. The boss usually sets up a space in the basement of wherever it is we happen to be, and we handle the crap after the experts are finished laying the rug. Normally, it's just the two of us, but on some of the larger contracts they get someone to help. During our last assignment, the owner informed us that he would be hiring his new giriffiend's daughter, a chick named Nicole, to work in our department, Frank and I weren't real happy about having a girl hanging around until we got a look at this babe. The key word here is babe! Mid. 20's, petite, long, curty dark hair that accentuated her exotic features, bronzed skin tone, and a nice, compact body. Of course, being normal, healthy men, Frank and I immediately wanted to not her and maybe would have too, except that we figured a beautiful piece of eye candy like Nicole wouldn't be interested in a couple of married, middle-aged farts like us. She didn't make it easy on us though-wearing low-cut tops that showed

#### "Shove that big cock up my asshole! I want to feel you both inside me!"

off her perky, round tits, and mini skirts that went up practically to her firm, round bubble buff, so Frank and I walked around with boners most of the time. Then one day we discovered that we were dealing with more than just a cockteaser. It was late in the afternoon and for some strange reason the remnant deliveries had

"Wow!" Nicole finally said after we'd gone through a long period of strained slience. "I'm super bored. You guys want to fuck?"

I glanced at Frank; Frank shrugged his shoulders and started to laugh. We thought she was kidding. No loke! Nicole snorted defiantly, whipped off her hatter to reveal her bare, pink-nippled jugs, and quickly shimmled out of her skirt. Christ! That little tramp was all over us-rubbing her meions against our chests, wiggling her tongue into our mouths, and boldly grabbing our crotches. Before we realized what was happening, Nicole had knelt on the

floor to free our pulsating peckers, and was jerking us off at top speed! There was no turning back at this point. Frank shoved his prick into her mouth first and I began poking her tonsis a few minutes later. Nicole was clearly no novice when it came to handling a pair of stiff pricks. She swung easily from one to the other, swallowing each of us down to the root, and licked our furry balls like a ten-dollar whore. By the time Frank and I were on the verge of pumping two hefty jizz loads down her craw, Nicole cut us loose, sprawled out on a pile of old carpet, and lewdly spread her downy thighs. Frank must have been stunned because he didn't move, so I ripped Nicole's drenched thong away from her sleek loins and nuzzled my face into her nude pussy. The tiny tart let out a pleasurable whoop that was instantly stilled by Frank's raging dong clogging her aliway again, and frantically humped her julcy slice at my stabbling hungry lips. Her cunt tasted delicious, but it wasn't long before the need to bury my aching cock inside her grew unbearable. Nicole acted surprised when I rolled her over and lifted her up above my rigid missile.

"Oh, yeah!" she moaned, wigging her drooling gash down over my flored knob. "Indit's what I want! Euck me, baby!" Poor Frank glared daggers at me as I crammed my throbbing pecker up her snug cooch. Luckly, our new sexpistol had quite a repertoire of moves. "Come on, Franke!" Nacile mewled, hunching forward to elevate her quivering fanny. "Shove that big cock up my asshole! I want to feel you both inside me!"

My foriorn pai didn't hesitate. Crouching behind Nicole's raise rump, he rammed his dick up her rectum, sending her bucyant love-pillows skidding across my nose. Nicole yipped insanely and began turkously chuming her plush haunches back and forth on our drilling shafts while Rank and I fought to establish a steady rhythm. We did a good job DP'ing the horry bitch, considering how rusty we were, and when Nicole finally experienced a tremendous, gut-wenching orgasm, her shiriking snatch and contracting pucker milked our gonads dry.

Unfortunately, that was the only fitme the three of us got together. Nicole didn't show up the next morning. The boss told us she'd found another job, but Frank and I think he fired her because he split with his gliffiend that same day. What an idiot! Nicole was a great worker and one hell of a lay!

#### **BLACK DICK LOVER**

Dear CHERI,

My husband, Al, and I are a very open-minded couple who read your magazine tathfully. We especially enjoy your hot letters section. That's why Al convinced me to wither to you about my first intimate encounter with a total stranger.

I manage a small department store here in town and last week I happened to notice this tall, handsome Black man sauntering up and down the alsies acting very suspicious. Of course, as I followed him around I soon realized that he wasn't doing anything wrong: I was just lusting after his bod! In his late teens, the guy had that long, lean look that really gets my pussy quivering, not to mention a gigantic budge in his bulky Jeans that had to be more than simply excess denim.

I honestly don't know what got into me that afternoon. I mean, a middle-class, happily married twentyeight-year-old woman doesn't go around accosting strangers for sex. But that had always been one of my fantasies, and this hunk was too hot to resist, so I quietly asked him to follow me into the deserted security office.

"Sure!" he said, lewdly giving me the once over.

Once I'd locked the door behind us, I planted my high, round but on the edge of the desk, arched my torso to push my 36 C's out against my blouse, and crossed one leg over the other, letting my short, dark skirt ride up well above my almpted knees.

## My diligence paid off when he popped his nuts, spewing a river of creamy spunk down my gullet

"Just in case I'm reading this wrong," he drawled, "I didn't take anything.

"Oh no?" I purred, casually shaking my sliky, shoulderlength, ebony mane as I ran my hands up and down his lean body until my palm came to rest on his bulging basket. "What's this?"

"Why don't you find out lady?" he groaked.

Straing to the foot, I showed his jeans and shorts down around his ankles and eagerly swabbed my tongue over his throbbing, ebony length before trapping his oversized knob between my lips.

"Much better," he crooned, cupping the back of my head. "Suck my dick, honey!"

That wasn't turning out to be so easy. He was huge! I almost gagged a couple of times as! I bobbed steadily on his rigid piece and the harder I sucked, the larger he grew! A few minutes later my diligence paid off when he popped his nuts, spewing a river of creamy spunk down my gulet with a mighty groon. By the time I came off his shirtning crank, my cunt was an tre. All I could think about was his chocotate monster screwing me senseless. Luckly for me, my Nublan stud had the same Idea. Moving tast, he lifted me up easily onto the desk, swiftly stipped away my clothing, and leaned in to capture my right tit between his pearly whites.

"Ohhh, yesssi" I moaned, pressing his face into my heaving bosom. "Do my tittles, baby! Oh, god! You're dtiving me crazv!"

He sure knew his stuff. After nursing on both juggs for several long, tantalizing minutes, he dropped between my parted thighs to shoot his tongue straight into my hairy, pink slot. What a feeling! It was like a snake had invaded my vagina! Whimpering hysterically, I orgasmed after only a few quick licks. My new lover kept his hungry mouth glued to my seeping twat until he'd gotten every drop of my discharge then jumped up to aim his recharged pecker at my drooting covern.

"Give it to met" I begged, looping my shapely legs around his waist. "Ruck me with that big. Black allok!"

"You got it, honey," he growled, entering me in one, mighty thrust.

Howling at the top of my lungs, I started writhing frantically on his driving rod as another tremendous climax simmered in my beily. Actually, I had two more before he finally emptied his swollen balls in my snapolna, fight cunt.

"Ahhhh, shift" he puffed, burying his smoky whopper deep in my gushing gash. "I'm gonna shoot, lady!"

"Fill me up with spunk!" I screamed, passionately.

When I fett his sperm flood my spasming hole, I came one last time, then collapsed on the desk, exhausted. While we were getting dressed, he told me his name was Louis, gave me his number, and invited me to call him if I ever wanted to party again. As it turned out, I gave him a buzz the very next day because Al got so turned-on when he heard my story that he natied me twice right in the middle of our living room! Now Louis is coming over on Saturday night and he's bringing a friend. I can't walt to experience my first gang-bang! Maybe I'll write you again to tell you all about it.

#### INTERVIEW WITH A **Porn Star**

## JASMINE BYRNE

BYRHE-ING HOT!

Interview by Acme Anderson

PORN VALLEY, CA—Jasmine Byrne has been in the business for three years and, despite a boathoad of cock, isn't the least bit bored with the jub bit. The 21-year-old from Marina Valley, California, knew long before she started performing in front of the camera that it was her calling. She is a self-proclaimed slut from way bock, who left her small hometown as soon as she was legal and, before long, was fucking and sucking for anyone who asked. She loves guys and dols equally and her limits list is shorter than the entite run of COD Rock.

#### When did you realize your calling to become a porn star?

When I realized that since I was sleeping with a lot of people that I thought I might as well get poid for it. I answered an ad in the paper for 'nude modeling.' which of course it wasn't, but I thought it was kind of cool, you know? And I was a big where, but I just wanted to get paid for it.

#### Have you ever danced professionally? No, never, I know I need to get on it and I'm

#### What's your feeling about plastic surgery/breast augmentation?

If you're a woman who feels like you need a boob job, then go ahead and get them. I like my boobs. I've always wanted them bigger. I kinda sucked in my family Everyone in my family has big boobs and I just stopped. They're little but they're mine and I'm not going to trade them in for some plastic stuff. And I'm affaid of anything leaking in my body, too.

What's the best thing about being a pom star? You get to fuck with a different person every time you go to work and you've got no strings attached.

What's the worst thing about being a porn star? You don't know what happens to you. They don't tell you anything when you start. They should have a porn star school on what to look out for. I got in the business when I was 18 and I wish I would have waited until now, because I'm much more wiser and I would have known a lot more.

#### What's the last concert you went to?

Mariah Carey, I'm a huge fan.

What's in your CD player right now? I'm listening to DJ Pauty D on XM Radio.

#### Do your sexual attitudes change once the cameras start rolling?

Yes. I have a switch—an on and off switch. I'm a really nice, sweet, calm, shy person off camera; on camera I'm a nasty. nasty, nasty girl. I'm like that at home, too, once you get me in that mood, I don't really like boundaries, I have a few, but I like going really far.

#### **JASMINE BYRNE**

#### On camera I'm a nasty, nasty, nasty girl

Do you ever feel typecast as an Latina?

Nobody really knows what I am, so no. I'm Mexican and Aztec Indian.

#### What are the pros and cons of being a freelance performer vs. a contract star?

Freelance performers get paid a lot more but get less publicity. Contract stars only work a few times a year, and if you're a freak you don't want to only work a few times a year, you want to work a lot of times a year! I really like not being a contract girl. I like working for everyone and give everyone a good scene every time.

#### Does your family know what you do for a living?

Yes, my family knows exactly what I do for a living. But it runs in my family; my dod was a big, big whore. My dad doesn't like it, but I'm daddy's girl no matter what.

#### If you could change one thing about yourself what would it be?

I don't think I would change anything.

#### What kind of stuff do you like to read? Hike to read a lot of erotica.

#### What's your favorite non-porn movie?

Hove The Natebook I'm a hopeless romantic. I ary, And I really like The Return To The Blue Lagoon, it was Milia Jovovich and she became my favorite actress for a while. And now I have a tantasy of fucking on an island somewhere.

#### If you could have almer with anyone, living or dead, who would it be?

I want to have dinner with Hugh Hefner's girlfriends. I just want to see just what is in their heads. I just want to experience that for a night.

#### If you won the lottery tomorrow, what's the first thing you'd do?

# COCK THE VOTE!

# CHERI MAGAZINE ENDORSES MARY CAREY FOR GOVERNOR OF CALIFORNIA-FINALLY A POLITICIAN YOU WANT TO BE SCREWED BY!

ay 9th, 2006, was a milestone day in US political history. It was the day Mary Carey announced her candidacy for governor of California. Rnally, a candidate of the people, for the people, and-if you contribute enough to her campaign-will fuck the people. But not fuck us the way politicians have in the past. We'll finally have a real, down to earth politician. we'd want to lerk us off, lerk off to, a governor who will flash us, throw the wildest porn parties, and let us touch her boobs, imagine the slogan, "Cop a feel for your vote." She's the candidate who's not only the tight...er, we mean right chaice for governor, but she'd also make the perfect girlfriend. She loves watching Sportscenter, admits to liking big boobs over little ones, promises to strip at fundraisers, declares CHERI Magazine as one of her favorite must reads, says her favorite movies are Scarface, Any Given Sunday, Edale and Legally Blonde, and would buy the Miami Heat if she won the lottery tomorrow and make herself the only Heat Dancer.

But walt, there's more! Mary promises to legalize marijuana (that pretty much gets our vote) and shoot down any bill that's anti-poin (that seals the deal right there). Also, Mary will outlow airbrushing in porn and in California ("It's not fair to make a girl who's not as pretty as me, pretty as me," says Mary), and has come up with an ingenious plan to get guns off the streets. Poin for pistois concept is, if you turn in your guns, you'll get tree porn. If guys jerk off a lot, they'll be less violent and too sleepy to do drive-bys. So to everyone who thinks Mary's campaign isn't serious, that's she's mocking the political system, that it's all a publicity stunt, Mary deserves each and every one of YOUR votes if you dread to see the day when Californiaand the rest of America-becomes porn free. She's not just big boobs, she's also big brains. On November 7, 2006, take your hands off your cock, pull up your pants, and pull the lever down for Mary Carey, our XXX choice for the next governor of Californial

# MAX HARDCORE AND A BEVY OF FAST BABES MAKE HOT RODS RISE AT THE LONG BEACH GRAND PRIX

Text And Photos By Marc Medoff/Adult Press Service

If Max Hardcore didn't become a XXX producer/director/performer, he'd be a professional race our driver. So mow he is doing the next best thing—single-handedly bringing the wacky world of his daily X-doings right smock dab into the mainstream world of speed-car competition. The world's foremost gonzo, teeny-bopper, hardcore pornicreator (www.maxhardcore.com), known on-screen and off for his al-too-tamiliar no-holes-barred approach to porno—and just and life in general—has become a prorace chault regular, and the presence of Max, his camera arew, and his goggle of scantify-diad XXX babes are shaking the race our world down to its greaslest of bal-bearings.

Over the years "Mad Max," as he is known, has fucked the best, and fought the best (he is currently, once again, being investigated by the federal Mae squad because his addess are so extreme), and usually wins on all counts. He's a cowboy hat-weating bad boy, respected and feared, loved and loathed, but above all, rich and famous. The longtime on-screen stud of such self-out XXX titles as The World According To Max, Max World, and The Max Factor—and about a zillion other variations with similar themes and names—hit hardcore a long time ago. Now he resides in a luxurious mountain palace in a remote Los Angeles suburb, doing what he wants, when he wants, and to whom he wants, "it's my world," Max says with a smile. "But you can live here too, for the time being!"

But it is Max's obsession with the sport of auto racing that has increasingly caught his attention and energy over the past few years. Rarely missing a major race in his home-state of California, across the US, or even the world, Max makes it his highest hardcore priority to put in specially orchestrated appearances at speed-offs such as the Long Beach Grand Pitx, the San Jose Grand Pitx, the slew of Formula One Grand Pitx races, the Indy Car races, and the Champ Car series. He's even venturing to places like Monaco in Europe just to take in the most prestigious of auto races. Max goes to the races not just because he's a fan—or to promote his Max Hardcore

### ME AND THE GIRLS WANT TO SHOW OUR SUPPORT FOR THE RACERS, THE SPORT, AND THE FANS, SO GETTING ALL DRESSED UP, AND PUTTING ON A SHOW FOR THEM IS THE LEAST WE CAN DO!

video line—but because he feels his bevy of beauties help inspire the drivers he reveres so much.

"Of course, none of the races we go to can officially sanction us, or be linked up with us, but they lowe to have us there, and they always give us passes, invite us into the pits, the garages, behind-the-scenes, everywhere. They love to have the girs to hang around with before they take off!" Joughs Max.

Indeed, at the last race he took his road-show to the Long Beach Grand Prix—he dressed porn stars Layla Rivera and Kelly Wells up in nearly-nude scantilly-clad afflie, and had them prance about in their high-heels, bending over, teasing the guys in the pits, and making an all-around sexually-charged splash. In tact, depending on the venue and the particular shuation, Max often throws a party at a nearby club or hotel inviting the drivers to affend, and also shoots a number of hardcore tuck scenes off-site, and adding in the non-adult tootage he takes at the actual races.

While the melding of many things porn and mainstream has been a familiar theme over the past decade, Max seems to have come up with—and cornered the market in—reaching out to the auto racing community. The drivers, workers, officials, and fans at the race car events have taken a shine to Max and fitends, greeting his familiar personage at car events with regular standing ovations.

"There's no need to stand and cheer," gushes a dearly flattered Max. "Me and the gits want to show our support for the racers, the sport, and the fans, so getting all dressed up, and putting on a show for them is the least we can do!"

Max says that in the near future he plans to expand his appearance schedule at the car shows, and bring along even more girls. "The more the better. They add some excitement to the atmosphere, and everyone loves it." So when the time comes for Max to finally retire from the fucks-for-bucks bit, does he actually see himself moving behind the steering wheel himself?

"It's a real fantasy of mine, but I think my role in professional racing is pretty well defined now." Max says. "I just want to keep on doing my part!"

e love gits like Mya Diamond. Hot, sexy, hard body, big soff tits, slutty, and who love spreading their legs for our camera. Mya enjoys smoking, so she if up her smokes and the whole studio was on fre—tiguratively speaking, of course. There was nothing Mya wasn't witing to do—strip down naked, finger her pussy and her ass, suck her juices off her dildo. Anything we wanted her to do, she did! Mya was really getting herself oft, fingering her hot holes so deep, her eyes were rolling behind her head. She let out a loud moan, and squitted her sweet juices across the room. We watched her crawl around as she licked her cum off the floor. "Good git Mya," we said. "Now, our balls could use a good swabbing..."

## TITS: YOUNG, RIPE & REAL! (Elegant Angel)

Starring: Gianna, Roxxxv Rush, Haley Scott, Sativa Rose, Karina Kay, Mysti May, Memphis Monroe, Juan Cuba, Nathan Threat, Chris Charming, Andrew Andretti, Mark Wood, and Mr. Pete.

in case you can't guess from the title, 7/ts is all about the sensual worship of female mammary glands. And we're talking some huge glands here—six of the bustlest babes in the porn business having their mighty jugs oiled, squeezed, stroked, and spermed upon for your wanking pleasure. Blande bombshell Memphis Manroe does veteran Juan Cuba, 18-year-old Roxxxy Rush takes on Chris Charming, auddly Karina Kay squirts on Mr. Pete's drilling dick, then aute-as-a-button Mysti May goes after her brother's best friend. Gorgeous Glanna plays a rich bitch who needs Nathan Threat's licorice stick to make her life complete. But it's Sativa Rose and Haley Scott's boob banging, clit-licking, face-sitting three-way with Mark Wood that takes the prize for hottest scene. You don't have to be a lover of large breasts to enjoy this over-the-top, gonzo extravaganza; it's designed to stimulate perverts everywhere regardless of their fetish preferences.

### MANY SHADES OF MAYHEM #2 (Tightfit Productions)

What does lightfit Productions mean by this title? Our guess is it has something to do with the multi-ethnic cast of this scorching fuck flick, it opens with smokin' hat Latina spiritre Jeneveve Jolie sucking and fucking Anthony Hardwood to an explosive alimax. Then Jadia Fire (black) and Cherokee (American Indian?) take turns riding Billy Gilde's Caucasian cock. The rainbow of raunch continues when metal-mouthed Asian pixle Kat takes a spin on Nat Tumer's big black snake. Then blande, blue-eyed, big-titted Phoenix Ray works over Wesley Pipes with the help of Asian sexpot Loni. This also wraps with exotic, erotic Naomi Marcella (Asian) and sexy Sydnee (black) sharing a frosty hot curn facial (off-white). All-in-all this is a sexed-up stroke flick, which shows that hat sex is hot sex not matter what race or color the participants may be. Why can't we all just get along? Fucking each other's brains out is a good place to start.

### THE VISITORS (Wicked Pictures)

Starring: Kerl Sable, Kirsten Price, Avena Lee, Kimberly Kane, Roxanne Hall, Bric Masterson, Evan Stone, Chris Evans, and Barrett Blade.

A naked, tight and toned Kerl Sable lays on an examining table, surrounded by eerle white light, as a long, slim green appendage slowly sides down her body. The green appendage belongs to a space allen who has abducted Kerl for some unearthly probing. Is this green limb an arm? A leg? A prick? Kerl doesn't know, but she isn't afraid. Instead she looks ready, eager to take whatever this horry E.T. can dish out, seeking a sexual romp that is truly out-of-this-world. That is the power of director Michael Raven's latest—and most ambitious—project for Wicked Pictures, The Visitars. There's enough of a story here to keep chicks and sol-li geeks watching between the sex scenes. Mysterious "wishors" from outer space are abducting beautiful young women from a small desert fown while investigators work to stop them. The sex scenes are smokin' hot, if a bit conventional—Avena Lee swallows Efic Masterson's load, Kerl Sable gets pumped by Chris Evans, Nimberly Kane gets splattered by Evan Stone, and Rissten Price balls Barrett Blade in the back of a pick-up truck. But what sets The Wisitors applice every inch of the sexy Earth women they've taken. If South Park made alien and probes funny, then The Visitors makes them sexy as hell. The Visitors is a winner and sure-fite confender for a slew of AVN Awards. Keep watching the skies—with your hand down your pants!

# THE REBELLE ROUSERS (Vivid-Al Starling: Kimberly Kane, Page Morgan, Mysti May, Lexi Bardot, Angle Savage, Nadla Styles, Smokin' Mary Jane, Drogon Uly, and Masulmi Max.

The Rebelle Rousers is the most stylish feature we've seen in a while, thanks to all porn director/photographer Octavio Winkytiki. We love alt porn, especially chicks with ink and this being VMd-Alt's first feature, of course we were ready to pull our pants down and start jerking it. We dug the cool look, the cool music, the cool '50s pin-up dresses and style of this part psychobilly, part rockabilly flick. We especially dug the chicks. Wow! Great tuck performances by all, but we have to give it up to kimberly Kane and Nadia Styles in one hot and lesbo session. Amberly, the leader of the "Rebelle Rousers," ain't taking shit from Nadia Styles, so she nalis her to let her know who's boss. Kimberly is all over Nadia before Nadia turns the tables around and slams Kimberly's big buff, it's a buff munching, buff kickin', buff fucking hot scene. Angle Savage gives new meaning to trailer park heaven, and tall lean Lexi Bardot gets reamed by two hard cocks. We just love watching dominant babes like Lext being put through the paces. For its first release, VMd-Alt has created one gern of a flick. We have seen the future of porn, and it's got ink all over it!

SISTR 22 (Video Team/Afro-Centric)

Starring: Ashley Brooks, Mya Mason, Naomi Knoxx, Miss Bee, Niyla Knight, Nyeema Knoxx, Bell D'Leon, and Jazmine Cashmere.

We love the sistas here at CHERI. Dark chocolate honeys, big butts, hair weaves—how can you not love the sistas? We loved watching Ms. Bee and Noomi Knox mult diving on each other's judy block berties. What we wouldn't give to get a little taste of that action. Mya Mason and Ashley Brooks look oute together, until they get out of their clothes and go to town on each other's tight twats. Ms. Bee curre back—and we do mean currs—with a little help from Niyla Knight's long, sliky tongue. Stunning Jasmine Cashmire leads a three-gif orgy with babes Bell D'Leon and Naomi Knox. These gifts are all over each, rubbing alts and sucking tits, thisting off with Jasmine getting a strap-on attack in her ass. If anyone has a body that can take a pounding, it's Jasmine. We'd like to take a "crack" at that big ale butt any time. An all-sexy cast of nothing but smoking hat black gifts; it doesn't happen everyday but when it does, there's no excuse to miss out on it, especially this one!

### TRUE PORN FICTION WHO

Starring: Monique Alexander, Melissa Laurén, Tithá Michaels, Mary Jane, Julie Knight, Shayla LaVeaux, Davia Ardell, Savanna Snow, and Anna Valentine.

True Porn Rotton is a hot movie with a shaky plot. The opener's a sizzing orgy featuring Monique Alexander, Julie Knight, Shayla LaVeaux, Tommy Gunn, and Evan Stone, who turn out to be characters in one of Monique's sexy stories. Her next tale involves Mary Jane being royally screwed by Marco Leon on a pool table, but when we return to reality, Monique is fucking a total stranger in her apartment for no apparent reason. Fade to an all female 8/D scene showing Davia Ardell and Titra Michaels submitting to every one of Melssa Lauren's commands, followed by the finale, where Monique does all she can to sexually satisfy prison guard, Randy Spears. Monique's jail cell transforms into the walls of her bedroom, the credits roll, and we're left wondering what it was all about. Still, the babes are beautiful and the fuck sessions are bone stiffening, so you don't want to passit up.

ophle and Zaffra crave a good tossed salad. They love the sweet scent of gif-ass, and love to tongue-fuck each others tender sweet, tight bung hole. Their long tongues love probing deep inside their hot openings, and wherever they can't reach, they get their trusty strap-ons to do the trick. These gits swear a strap-on is better than real dickmeat, even calling it "doddy" after they're finished fucking. We can just imagine how much goo is splattered on their bed sheets once they're done boning each other. As a matter fact, we'd like to witness and be a part of that beautiful event next time! Hell, we'll even wash the sheets after they're done!
